

Our party season started early with the 2nd annual Sweethearts Dinner in honor of St. Valentine's Day.

This summer the Hamiltons and Crichlows cruised up to the San Juan Islands and gave a beautiful report with narrative and video.

The Wind River Cruise was another success with hopefully more members attending next year. Beaverton and other squadron members met up at Cathlamet the following week and the camaraderie was appreciated by all.

Our first Power Boat Outing at Detroit Lake was thoroughly enjoyed by all attending and it was proven that you didn't need a power boat to attend the BBQ picnic. We welcome other squadron member to join us next year.

Wind River and Detroit Lake will become recurring annual events.

Respectfully submitted,
Dave Shively
Commander
Beaverton Sail & Power Squadron
